Mark,

I think this email sufficiently documents the outreach effort.

Thank you,

Subject: Temporary Dog Park proposal

Good morning,

The Dog Park Coalition sent an invitation by letter to the abutter list for Beachland Park.

They held an informational meeting at 7:00pm on Tuesday 10/28 at the Elmwood Community Center.

Not one person from the general public attended the meeting.

In addition to myself, three representatives from the West Hartford Dog Park Coalition attended.

They were:

Phil Karlin	49 Montevideo Rd, Avon	philk@philkarlin.com
Suzi Craig	19 Bishop Road, WH	suzikcraig@gmail.com
Glenn Brown	192 Somerset Street, WH	gbrown10062003@yahoo.com

Since there were not minutes needed or questions asked. Do you need me to submit anything for the file?

Thanks in advance.
